## Policy and Terms

### Patent Indemnity

We agree to defend any suit or proceeding brought against our customers so far as based on a claim that any of our products, or any part thereof, made solely to our specifications and furnished to our customer constitute an infringement of any U.S. Patent, if notified in writing and given authority, information and assistance at our expense for the defense of same, and we shall pay all damages and costs awarded therein against our customer. In case our products, or any part thereof, are in such suit to constitute infringement and their use as enjoined, we will, at our expense and discretion, either procure for our customer the right to continue using the products or replace the same with non-infringing products, or modify them so they become non-infringing, or remove such products and refund the purchase price (less depreciation, prorated from the purchase date). The foregoing states our entire liability for patent infringement by our products or any part thereof.

### Limited Warranty

We warrant our products against defects in workmanship, material or operation subject, of course, to ordinary wear and tear as it pertains to particular installations. However, we do not warrant against defects due to improper installation or failure to exercise normal maintenance, nor against the consequences of uses for which our products were not designed.

Our only liability whether in tort, or in contract under this warranty or any express or implied warranty, is to repair or replace products that are returned to us, shipping charges prepaid, at the address below within one year after or delivery thereof to the original purchaser from us, and are determined by us to be defective.

We expect that our customer will inspect these products upon receipt. If damage has resulted from shipment, or customer's only remedy is by claim against the carrier.

Products will not be accepted for repair or replacement under this warranty unless we have given prior authorization for their return. Upon receipt of products returned for repair or replacement we will determine whether products qualify for repair or replacement under this warranty; if they do not; we will notify our customer of estimated costs of repair or replacement involved and will obtain authorization prior to proceeding. We have no liability to pay any costs of repairs performed by anyone other than us, unless in each instance we have given prior written approval of such repair in which case we will pay what we consider to be the reasonable cost thereof.

THIS WARRANTY IS EXPRESSLY IN LIEU OF ALL OTHER WARRANTIES. IMPLIED WARRANTIES SHALL BE LIMITED TO THE DURATION OF THE WARRANTY PERIOD OF THIS EXPRESS WARRANTY. WE SHALL UNDER NO CIRCUMSTANCES BE LIABLE FOR INCIDENTAL OR CONSEQUENTIAL DAMAGES. SOME STATES DO NOT ALLOW LIMITATIONS ON HOW LONG AN IMPLIED WARRANTY LASTS OR THE EXCLUSION OR LIMITATIONS OF INCIDENTAL OF CONSEQUENTIAL DAMAGES SO THE ABOVE LIMITATIONS OF EXCLUSIONS MAY NOT APPLY TO YOU.

THIS WARRANTY GIVES YOU SPECIFIC LEGAL RIGHTS AND YOU MAY ALSO HAVE OTHER RIGHTS WHICH VARY FROM STATE TO STATE.

For information on warranty performance, contact us at the following address: Warranty Performance and information Department, CCL Security Products, A Division of the Eastern Company, 301 West Hintz Road, Wheeling, IL 60090. Telephone 800.733.8588.

### FREIGHT POLICY

All goods are invoiced F.O.B. shipping point. When delivered to the transportation company, shipments become the property of the purchaser who assumes the risk of loss or damage in transit.

### Finishing Symbols

US4	Satin Brass	US26D	Satin Chrome Plated
