

Gun Safes

American and Classic Series

Both Series Standard Features

- Pry-resistant, recessed doors are secured by 12 massive 1 inch locking bolts. (11 bolts on Model 6022.)
- Tri-bolt locking system that locks both horizontally and vertically behind a high strength unitized reinforced door jamb.
- Concealed hinges and central placement of the door handle and lock discourages attack by disguising the direction of the door swing.
- Equipped with a U.L. Listed Group II combination lock with keylocking dial. Each lock is fitted with an internal passive relocking pin plus an additional independent relocking device to protect against a severe attack.
- All safes are pre-drilled and ready to anchor to the floor.
- Both series can be ordered with a factory installed fireliner.

RSA6030 Gun Safe

American Series Models 7240-26 and 6030

Classic Series Models 6030 and 6040

Additional Classic Series Features

- The exterior high gloss enamel finish is offered in a choice of eight designer colors: Onyx (Black), Sandstone, Chestnut, Navy, Hunter Green, Burgundy, Gray and Ivory.
- The spacious interior, in addition to the back wall, is carpeted with tan velour or green velour (ivory finish only).

Additional American Series Features

- Attractive charcoal gray semigloss, textured, scratch-resistant finish.

Special Edition Emblems

Scott Zoellick, an avid sportsman and also one of the most highly honored wildlife painters, combines his love for the outdoors and his talent with a brush to produce three wildlife scenes. Each emblem is framed in gold and positioned in the lower center of the door.
